

Haylee Ward is a Senior at Timberline High School and is representing Washington FBLA as the Capital Region Vice President. After beginning her FBLA experience in 8th grade, Haylee learned that the organization provides their members with invaluable experiences and has learned first-hand that FBLA changes lives for the better. Through many different competitive events in FBLA, Haylee has grown in her confidence and gained an interest in entrepreneurship, which has influenced her current career pathway.

Haylee firmly believes that FBLA is so much more than an organization of well-dressed young adults, we are an organization that sculpts young adults into the leaders of tomorrow. By serving her local chapter as both President and Vice President, and now serving Capital Region as Vice President, Haylee has gained vital insight on what it takes to be a leader.

When Haylee is not preoccupied with her academics, or FBLA endeavors, she likes to play soccer, and spend time with her friends and family. Haylee plans on attending a 4-year University in the near future, pursuing her dreams of entrepreneurship by majoring in business management. This year in office, Haylee looks forward to giving back to the organization that has given so much to her. She also looks forward to seeing what strides this year's members will make towards bettering their future.
