Happy MLK Day, Advisers!

Hopefully you are enjoying your day off from school!

**Administrators Day**

This year we've adding a new element to SBLC! We are offering a complimentary experience for your school's administrators. We will provide lunch and an exciting look at what you and your students do at SBLC. Please share the attached flyer with your principal, CTE Director, counseling staff, and any district administrators who would benefit from this experience.

**Workshop Presenters**

We would still like to receive your input for some dynamic workshop presenters for SBLC! Please either contact me at [dawne@wafbla.org](mailto:dawne@wafbla.org) with presenter contact information or refer the presenter to our online link [here](#). We appreciate your contributions!

**New FBLA Rating Sheets**

The following events had minor adjustments made to the rating sheets at the national level on December 19: Graphic Design, Introduction to Public Speaking, Parliamentary Procedure, Public Speaking, Publication Design, and Website Design. Business Ethics was updated on January 4. Please be sure your students are using these updated rating sheets for their event preparation.
