Greetings, Advisers!

Virtual Business Scholarship

The Virtual Business Scholarship application is available online at <https://knowledgematters.com/about/scholarships/>. The scholarship is for high school business, marketing and personal finance students currently enrolled in their junior and senior years of high school throughout the United States. This scholarship is intended to help eligible applicants defray the costs of their continuing education. The scholarship applications will be judged nationally and the winner will receive \$2,000. The application deadline is April 1, 2018.

Judging Opportunity

With our State Business Leadership Conference just around the corner, we need your assistance with the judge recruitment effort. This year we will need over 150 judges per day to evaluate competitive events. We appreciate your help in reaching out to your students' parents, colleagues, friends, chaperones, and family to invite them to sign up as a volunteer judge. To help you in this effort I've attached a terrific brochure you can use in your recruitment efforts.

What to Do in Bellevue

If you and your students are wondering how you will spend the time you're not competing, visiting exhibits, and attending workshops, we have the list for you. Please review the attached list to create some chapter memories!

More SBLC information will be available next week! Happy St. Patrick's Day!
