Member of the Month—Nominations for October due September 20

The Member of the Month program is back again this year! The Member of the Month Program is designed to recognize members who demonstrate passion and dedication to Washington FBLA's mission and programs.

Nominations must be received by the 20th of the current month for recognition the following month. That means we are now accepting nominations for October Member of the Month!

An adviser, chapter officer, a member, or even the member themselves may nominate a member in good standing to receive this honor! To nominate your members for Member of the Month, complete the application form at the following link:

Website Scavenger Hunt

Washington FBLA has a new website this year! It can still be found at www.wafbla.org, but it has been completely updated! To help your students become more familiar with the website and the resources offered there, we put together a scavenger hunt to be used as a classroom or chapter meeting activity. Students will answer about 10 questions on a Wufoo form using information found on the website, and include the link where they found it. The winner will be chosen randomly from all the entries, and he or she will receive a TV! All submissions must be received by October 5, 2017. <https://trileadership.wufoo.com/forms/z22rkl0hvl6fw/>
