

Zinnia is currently a Senior at Othello High School in Othello, Washington. During her third year in FBLA, she wanted to 'Elevate Her Future' and serve the people of WA FBLA as Southeast Region Vice President. Zinnia believes the importance of serving others, and is an active leader in her FBLA chapter, church youth group, yearbook, and sports teams. FBLA has shaped her into the young woman she is today, and wants other students to experience the benefits of the organization.

Excited for the future, Zinnia hopes to attend the University of Washington and major in public health. Her current role models, such as her mom and mentor, have taught her the importance of being kind and respectful to others, and she wants these traits to be shown in her everyday life.
