

Cheyenne Stirek is a senior at Tonasket High School and will be serving as the 2019-2020 WA FBLA State Parliamentarian. Cheyenne has been in FBLA since her Freshman year. She has received first place in Parliamentary Procedure at the state level.

FBLA has truly given her a platform to branch out of her comfort zone and not be so shy. Through FBLA she has made many lasting friendships not only within her school but throughout the state. She believes that this organization has so many opportunities for its members, and she wants to help prospective members learn about all the great things FBLA has to offer.

Cheyenne wants to attend the University of Nebraska - Lincoln to study pre-law, in hopes of one day pursuing a career as a lawyer. Some of her favorite things to do are hiking, swimming, painting, and, of course, FBLA! She wants to help you make this year as great as it can be.
