

Emma Alexander is your 2019-2020 North Central Region Vice President. She is a senior at Tonasket High School and has been a member of FBLA for four years, where she has made memories and been a part of experiences she will never forget. She has received her BAA Future Level Award and has also placed both First and Second in Parliamentary Procedures at SBLC. Emma plans on attending a four-year university and wants to get a master's degree in psychology and early childhood development. She wants to become a child psychologist or teach kindergarten.

When she isn't busy with school or FBLA, Emma dances and is co-captain of her cheer squad. She also enjoys calligraphy, hanging out with friends and family, and traveling. She is proud to say that she also works for a youth leadership council full of students from throughout Okanogan County who are becoming peer health educators in the hope of reducing the number of teen pregnancies.

FBLA has given Emma the opportunity to channel her passion for learning, her creativity, and her competitiveness in a positive way. Through FBLA she has had the opportunity to meet many new people and travel to many new places, such as Baltimore, Maryland; and San Antonio, Texas. Through dedication and hard work FBLA has made Emma more confident and a stronger leader. Throughout the year she hopes to continue this growth and to help spread the benefits and opportunities of FBLA to others.
