

Gwen Hankins is the North Central Region Vice-President. She attends Oroville High School she is a Junior. Gwen has been a member of FBLA for 4 years. She has also achieved her Future level of the BAA's.

Gwen has not decided which college she wants to attend yet, but she plans on attaining her doctorate in medicine she that she can become a pediatrician.

It is Gwen's belief that FBLA is an experience that needs to be lived, not just told because you cannot just tell someone the benefits of FBLA, they need to experience it themselves. Gwen looks forward to helping you experience FBLA this year!
