

Jean Lin is a Freshman at Union High School at Union High School in Camas and is honored to be serving as your Southwest Region Vice President for the 2019-2020 year. She is currently going into her second year as an FBLA member and is also serving as chapter president this year.

This year she is excited to meet new people and grow more with this organization. In her free time, Jean is a competitive swimmer, musician, and also loves to volunteer. She is currently serving as the vice principal musician for the organization Portland Youth Philharmonic, and is also involved in STEM, an organization that lets high schoolers interact and teach elementary schoolers about science.

Jean plans on attending a four-year university with the majors of business finance and psychology. She strongly believes in spending quality time with family and friends and has a goal to build more connections in FBLA this year and reach out to more people in this incredible organization. She looks forward to spending this year with you!
