Greetings, Advisers!

Happy Teacher Appreciation Week! Thank you for all you do for your students and for Washington FBLA! It's been a great FBLA year, and that wouldn't have been possible without the work you do every day in the classroom with your students. Your state management team greatly appreciates what you do!

### **NLC Competitors**

All competitors have been registered for their events. Please go online and check that all of your local competitors are correctly registered for competitive events. The steps to do this are:

1. Go to [www.fbla-pbl.org](http://www.fbla-pbl.org) and click Login.
2. Enter chapter number and the password "service" in the Membership & National Conference Registration fields.
3. Click on the View Current Students Registered for 2018 Competitive Events link.
4. Verify that listed students are the correct students in the correct events.

### **NLC Conference Registration**

The NLC conference registration is complete! Please also double check that your conference registration is correct. You will visit the same link but this time click "Conference Registrations," and then "View/Add Registrants" next to FBLA NLC - Baltimore, MD.

If you have any issues with either your competitor registrations or your conference registrations, please let us know!

Have a great week!
