Greetings, Advisers!

We have a short update this week to match your short work week!

Do You Have a Key Legislator Partner?

Washington FBLA will be teaming up with all seven of our sister CTSOs for the State Officer Civic Engagement Day in January. This event is concentrated just on our state officers (WA ACTE may or may not offer an additional event) – and we would like the opportunity to specifically thank any Senators or Representatives that have done something special for your local chapters. We are hosting a small reception – and would like to include anyone that you would like invited. Please send Mike any details via email (mike@wafbla.org) so that they can be included.
