

Steven Johnson is currently a junior at Cheney High School and is honored to be serving as your Northeast Region Vice President. He has been a member of FBLA for five years and is excited to be a part of such a great organization. While doing FBLA, he has placed in multiple events at the state level including spreadsheet applications and banking and finance. He currently has achieved the Future level of the Business Achievement Awards and is currently working towards achieving the Business level. Since joining FBLA, Steven has found a passion for business and finance, and hopes to continue with these after high school.

Though he has not decided on which college to attend, he is confident that whatever school he chooses will be the right one for him. In his spare time, Steven likes to sing as a tenor in his school's choir, as well as go on long runs with friends. Through being a member in FBLA, he has found many opportunities that he would have never known, such as networking with other members and attending FBLA conferences. Through doing FBLA, he has learned some of the many skills it takes to become a successful leader, and how to implement those skills into everyday activities.
