

Tina Zhang is a junior at Woodinville High School and is beyond excited to serve as your West Central Region Vice President.

When she is not doing FBLA, she dedicates her time to ASB, photography, traveling, and teaching piano. Tina co-founded the Women of Influence Leadership Conference at her school, an organization that connects young, aspiring women with experienced female professionals to explore career and life possibilities. She is deeply involved in the community, organizing fundraisers and drives.

This will be Tina's third year in FBLA. She has served as an officer on her chapter team and her favorite part of serving her school chapter is connecting with local members. Tina has placed first nationally for Social Media Campaign and qualified for Nationals in Introduction to Business Presentation, Marketing, Publication Design, and Public Service Announcement. She has received the Future Level of the Business Achievement Awards and is working on getting the next level. Her best FBLA memories were in Baltimore for NLC with her school chapter.

Tina is so grateful for the opportunities and relationships that were formed because of FBLA and is passionate about creating the best experience for her fellow WAFBLA members.
