Member of the Month

Congratulations to **Gary Tou!** He is a sophomore at **Hazen High School** and has been a member for two years. The 2017-2018 FBLA year was his first year of FBLA in which he attended nationals in Baltimore. He is working hard to help recruit chapter members. He is his chapter's public relations officer. Gary has created an online competitive event sign up system for his chapter members, and he has hopes of growing his leadership skills.

State Officer Corner

Tips & Tricks Tuesday Video. Set some goals in this new year - make a Program of Work! In this week's Tips & Tricks Tuesday episode, Victoria Thornton shares why a Program of Work is important and how you can get started. Please check out our Instagram page and share the video with your officer team!

T&T Tuesday Starring Role! The state officer team is currently in need of member involvement in the Tips and Tricks Tuesday series. This is a great way for members to give back to the

organization. If you have members that you believe would be good candidates for a starring role, please have them fill out the following form: <https://leadable.info/TipsTricksStarringRole>.

Member of the Month. Recognize an outstanding leader from your chapter by nominating them for the Member of the Month initiative. This is a great way to encourage new members to be more involved within your chapter as well as motivate returning members to achieve this goal. Each Member of the Month recipient will be recognized at SB:C! January nominees are due Sunday, January 20!

As we look forward to our Winter Leadership Conferences and SBLC, please let any of your state management team or state officers know if we can help in any way!
