

January 8, 2018

Good Afternoon, Advisers!

To start our week off we'd like to congratulate **Marysville Getchell High School**, **Odessa High School**, and **Fife High School** for being **Non-stop November winners!** They will be recognized at NLC!

If your chapter would like to get involved with the National Chapter Challenge, visit <http://www.fbla-pbl.org/fbla/programs/recognition-awards/chapter-challenge/>. **Action Awareness** started January 1 and ends March 1. Your chapter can also gain recognition at NLC!

Workshop Presenters

Do you know some dynamic workshop presenters you could recommend for SBLC? We're looking for a variety of workshop presenters and would love your input. Please either contact me at dawne@wafbla.org with presenter contact information or refer the presenter to our online link [here](#). We appreciate your contributions!

FBLA Week

FBLA-PBL Week will take place the second week of February. Please encourage your chapter officers to plan activities in celebration of FBLA-PBL Week. Attached is an infographic that includes more information and ideas for each day of the week.

March of Dimes

The March of Dimes has changed their fundraising form. All donations must be on this new form.

T-shirt & Pin Design Competition

Please remind your students that the T-shirt and Pin Design Competitions close at midnight on Wednesday, January 10! We're excited for all of the submissions we've received so far and wish all of your students good luck! Winners will be notified by the middle of February.

Have a great week!
