

March 26, 2018

Greetings, Advisers!

This email is the beginning of the information you will receive this week about SBLC. Be sure to check your Inbox throughout the week for additional information!

SBLC App

Again this year our conference program and information will be available to all participants via our app. Please encourage all attendees to visit the app store and download the Washington FBLA SBLC 2018 app. Conference information continues to be added to the app, so check it often.

Transportation Between the Hilton & the Hyatt

Shuttles will not be available this year in Bellevue for SBLC. However, we do have a great option for all chapters for transportation between the Hilton and the Hyatt! If students/advisers do not yet have an Uber account, use referral code fblawui to create your new account and get your first ride free up to \$20 or follow this link: <https://www.uber.com/invite/fblawui>.

Competitive Event Schedules

Competitive Event performance schedules will be available on Friday in our app.

Free Financial Education and Entrepreneurism- Digital Resources for FBLA Students

[EVERFI](#) provides educators with no charge, digital programs surrounding topics like entrepreneurship and financial education. Their digital programs help prepare students and future business leaders for the real world. Their programs align to state and national standards, and can be great tools for financial literacy month.

Here are two program highlights:

[EverFi- Financial Literacy](#) is a high school program with 9 digital lessons spanning topics from financial basics such as savings, banking and financing higher education to later life decisions surrounding investing, consumer protection, etc.

[Venture- Entrepreneurial Expedition](#) teaches students how to be entrepreneurs. Students create their small business food truck and learn about the financial elements and basics behind starting a business.

If you're interested in learning how to gain access for your FBLA students, please contact WA School Manager, Shannon Gedo, sgedo@everfi.com, phone: 253-666-9121, OR join the **EVERFI session at the FBLA Conference on April 5 in Regency E at either 9 a.m. or 10 a.m.**

We're looking forward to seeing all of you at SBLC next week! Thank you for all you are doing to assist your students to be the best they can be at SBLC!
