- November 15 – American Enterprise Day
- December 6 – Fall Stock Market Game Ends
- December 10 – Non-Stop November Ends
- December 15 – Second National Dues Deadline
- January 1 – Action Awareness Begins

---

Greetings, Advisers!

**Membership**

There is still time to register more members. Please remember the following:

- Select returning members from the membership roster under the **Manage Students** button so they keep the same membership number.
- Select the proper grade and gender (both required) of each student by clicking on the **additional info** button as you register him or her.
- When paying via check, please include a copy of the invoice. Advisers may print invoices by logging into their record and selecting the **View Invoice** button.
- Purchase orders do not count as payment.
- Paid members cannot be removed. Once a member has paid, refunds cannot be made.
- To correct spelling errors or remove students email [membership@fbla.org](mailto:membership@fbla.org).

**Community Service Awards**

Your members can earn recognition for community service. To register students and for the student login, advisers should log into their chapter membership record, click on the **National Programs button** and then select the **View Students for CSA** button. Click on **Register for CSA** under the name of the student. Students must have either paid or have a membership in order to be registered.

### **Webinar Wednesdays**

This week's webinar: How can I fit Lead4Change in this year? [Register](#) today.

### **MBA Research**

Ready-To-Use Classroom Resource: Use **The Gray Zone ethical dilemmas** to introduce your students to problems and situations that don't have one specific right or wrong answer.

This week's Gray Zone topic: [Creating a Business Plan](#).

This Gray Zone comes from the [Plan for Success](#) lesson module (LAP) and aligns to performance indicator SM:013 Develop a business plan.

### **Lead4Change**

Lead4Change is now fully aligned to **STEAM** Education standards. Working with the ISTE guidelines, we have aligned our 6-lesson and 12-lesson tracks for easy integration into STEAM and STEM pathways.

Find the new resource guides here: [6 track](#) | [12 track](#)

The goal of each Lead4Change Alignment Guide is to assist educators in achieving their goals while incorporating leadership and service learning into the student experience.

All guides, and many other resources can be found [here](#)

### **State Officer Corner**

**Membership Campaign.** Are you interested in growing your membership? To assist FBLA chapters with membership, WA FBLA has created a fun and insightful "A World of Membership" world wildlife themed membership campaign. With each level of membership increase achieved, your chapter will receive marvelous recognition at SBLC!

**Chapter of the Month & Member of the Month.** The Chapter of the Month and Member of the Month programs are a fantastic way to get WA FBLA chapters and individual members the recognition they deserve for demonstrating their FBLA passion through leadership and other activities. We strongly encourage all advisers to nominate worthy members and chapters for these marvelous programs. The Wufoo form for both Chapter of the Month and Member of the Month can be found on wafbla.org in the "State Officer Projects" folder. The nomination application is due the 20th of each month. Don't miss this golden opportunity to provide deserving chapters and individuals the recognition they deserve!

**Alumni Wanted!** Please let all of the alumni in your contact list know that WA FBLA is interested in having them complete our Alumni Form at <https://leadable.info/wafblaalumniform>. This year we are starting an initiative to connect with our alumni. This will be a great way for WA FBLA to stay in touch.

SBLC Pin & T-shirt Design Contests. Do you know any students who like graphic design? Please encourage them to submit a design to our annual SBLC T-shirt and Pin Design Contests. This is a great way for students to show off their skills and to receive recognition. Be sure to review the guidelines for each design on page 33 of the Chapter Success Guide.

Don't wait! They can apply now at these links:
