## **2021 SBLC PERFORMANCE SCHEDULE**

Attached is our complete performance schedule. Please share with all of your participants. The link for the competitors to log into for the performance is located at the top of each list right above the names of the finalists, titled Perform Location. Prep Location will be handled at the same link as the perform location, so competitors will use the same link to log into for prep. We will manage all prep and presentations for the competitors once they have logged in. Be sure to ask your competitors to join the link early . . . at least 15 minutes prior to their prep or perform time.

The performance link is: <http://leadable.info/livecompete-fbla>

Online objective test results will be available to advisers beginning Monday by logging into your TFI/ESSESS account.
