Good afternoon, Advisers!

OPEN EVENTS—ONLINE TESTING

This year Open Events are being offered at NLC. Members who have registered/paid for NLC are eligible to take ONE Open Event test. Members do not have to pre-register for Open Events. The testing program will be set up so that each member who has registered/paid to attend NLC can take ONE Open Event Test. They will log in during the open event testing window, June 14-18, and take the test. The member scoring highest on each test will be recognized during the Awards of Excellence Ceremony on July 1. Specific instructions for doing so will be posted to our NLC website about a week before the testing begins. This information is listed on the NLC site at

<https://fbla-nlc.org/fbla-competitive-events/>.

NLC CONFERENCE REGISTRATION

Attached is a quick guide to help provide details on how to register. Remember, **chapters must register themselves** for the conference registration. The State Office will register everyone for competitions only. Check out the Registration Tutorial in the attached Guide for further information on how to register for NLC.
