**REGISTRATION DEADLINE—MONDAY, SEPTEMBER 20**

**REGISTRATION LINK—<https://virtualleadershipexperience.org/yourstory/>**

**TODAY** is the last day to sign up for the Chapter Officer Training brought to you by TRI Leadership! Strong chapter leaders are often key to having a strong chapter overall and a successful year in FBLA! Chapter officers and leaders can join WA FBLA State Officers as well as student leaders from other Career and Technical Student Organizations from around the country in our first joint CTSO Chapter Officer Training.

- Registration is \$25 per participant. You will need to register each officer who would like to participate. The link to register is: <https://virtualleadershipexperience.org/yourstory/>.

- The training is a two-day virtual event held after school hours. These sessions will be recorded and posted on your 30-day subscription to 100XED TV that is included with your registration.
- Your students can participate from home or at school. If you have space for your team to come together and participate in the same room, it may facilitate great conversations.

Sign up your chapter officers and key leaders today! The link to register is: <https://virtualleadershipexperience.org/yourstory/>.
