LEARNING LYMPHOMA CAMPAIGN

Your chapters have an opportunity to become involved with this PR campaign! Be sure to check it out!

Learning Lymphoma is a month-long public relations campaign led by students from Chapman University, including a WA FBLA alumna. The campaign is a part of the Bateman Case Study Competition, a nationwide challenge hosted by the Public Relations Student Society of America. With resources sponsored by the Lymphoma Research Foundation and the Paul Foundation, **Learning Lymphoma seeks to raise awareness for lymphoma diagnoses in adolescents and young adults.**

The campaign is reaching out to high schools to share lymphoma curriculum, which is attached in brochure format. The campaign's [website](#) and [Instagram](#) page are currently live with more information. To reach out to the campaign, one can email lajohnson@chapman.edu or kgong@chapman.edu, or fill out the contact form on the website.

PRODUCTION TEST REQUEST FORM

If you have students competing in Computer Applications, Database Design & Applications, Spreadsheet Design, and/or Word Processing for SBLC, please register your competitors and then request your test materials by completing the **School Site Production Test Request Form** on our Web site [here](#) or at this link [here](#). All necessary materials to administer these tests (proctor instructions, proctor scripts, and production test) will be sent to the adviser within 24 to 48 hours of receipt of this form.

Please be sure you have a designated proctor to administer your tests! All completed School Site Production tests are due by 5 p.m. on **March 7**.

ROLE PLAY TESTING REGISTRATION

Role play registration is closes this Friday in Blue Panda! To test in a SBLC Role Play event, you must have been in the top 6 at your region conference, or be counted as one of your chapter's wild cards.

Role Play events are:

- Banking & Financial Systems
- Business Management
- Entrepreneurship
- Help Desk
- Hospitality & Event Management
- International Business

- Introduction to Event Planning
- Management Information Systems
- Marketing
- Network Design
- Parliamentary Procedure
- Sports & Entertainment Management

Registration deadline: **February 18, 2022, at 5 p.m.**

Register at: <https://app.gobluepanda.com/> and choose WA FBLA Role Play Testing

There will be a \$5 charge per test, and will show on your invoice when your registration has been submitted.

The testing window will be open from February 21, 2022, to March 1, 2022, and your testing information will be sent to you directly from TFI, the online testing administrator.

Signing up for role play testing does not obligate a team to attend SBLC. If they are not in the top 15 of the test results, they will not be eligible to compete in these events at SBLC. If they are in the top 15, and they choose not to advance to SBLC, the number of teams presenting will be reduced—we will not bump up other teams.

There are no exceptions to the timeline for role play testing.
