Subject: ProConnect: Prepare Students for SBLC!

Hello Advisers!

Now that all WLCs have concluded, we want to make sure everyone knows about our ProConnect program.

The SBLC mentorship program is back for members this year. ProConnect members are assigned to industry-level professionals who can help your students prepare for the state conference! They will meet frequently and ensure steady objective test, role-play, or presentation prep. If your students are interested, they can sign up at <https://wafbla.org/proconnect/>.

If you have any questions, please let me know or email our Alumni and Business Relations VP Karina Kejriwal at alumnibusinessrelationsvp@wafbla.org.

Thank you and have a great rest of your week!

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Perez', written in a cursive style.

Tiffany Perez
Deputy State Director
