Subject: WA FBLA NLC 2023 Travel Package and State Day Information

Greetings Advisers!

I look forward to seeing you all in Spokane this week in a few days!

By the end of the State Business Leadership Conference, we will see who will represent Washington FBLA in **Atlanta, Georgia** this summer at the National Leadership Conference.

With that, I am happy to send you a preview of our NLC travel package. We will go over this in more detail at SBLC.

All of our delegation has been assigned the **Hilton Atlanta** this year as our conference hotel.

Washington will be participating in State Day which will take place at **Six Flags this year ending with a dinner and games at Dave & Busters**.

Please take a look and let us know if you have any questions.

Sincerely,
