# PRESENTATION TIPS

When you are presenting make sure to project so the judges can hear you. Not only should you project, but make sure to speak slowly so the judges can understand you!

Make sure to have follow the presentation guidelines! Some judges are nicer then others and are stricter with grading, so make sure to follow guidelines and keep it professional!

# GETING INVOLVED

- Follow the Middle School Instagram
- Participate in membership campaigns!
- Go to your WLC
- Attend all chapter meetings
- Go to all FBLA workshops
