

# 2024 National Leadership Conference

## High School Individual Schedules

Following is a large file with preliminary schedules for the 2024 NLC presentation events.

### **I don't see my event.**

If you don't see your event listed, it's either a test or a role play event with a testing component. Visit the [NLC page](#) to see the schedule of tests. (For role play events with a test, the top 15 scoring individuals/teams advance to the final round.)

### **I see my event, but I don't see my name.**

There are multiple sections in each event. Have you used the search feature to find your name? If you still don't see it, reach out to your Chapter Adviser and State Leader about next steps.

### **When should I show up for the event?**

The time listed on this schedule is your arrival time. This time includes check-in time. The set-up time (if needed) and presentation time will happen after the arrival time in the Valencia Ballroom.

### **Where do I show up for the event?**

For presentation events, competitors will check in at the escalators on the third floor by the Gary Sain Café (pictured) at the arrival time listed on the schedule in the following pages.

### **Can I change my competitive event time?**

Competitive event presentation times cannot be changed or switched to another time.

### **Can I observe preliminary presentation events?**

No observers or audience members are allowed for preliminary presentations.

### **When will we find out presentation finalists?**

Finalists and the finalists schedule will be posted by 5 am each day. Some final presentation events will be open to audience members. Check the conference app for locations of these events.
